South Carolina Department of Mental Health

2005-2006

This publication is prepared by the South Carolina Department of Mental Health's Office of Public and Legislative Affairs.

February 3, 2006

The Legislative News is published bi-weekly to keep you informed of bills that are introduced in the General Assembly which may affect DMH, mental health, health care issues, or employee issues. In addition, we will provide budget information and general news from the General Assembly. You can also access the complete bills online by clicking the link at the end of each description, OR by visiting www.scstatehouse.net.

This publication is also available on the DMH Internet and Intranet sites. However, if you do not have access to the site and wish to receive a copy of the update, call us, and we will send you one in the mail. If at any time you have questions or need more information about bills/budgets or other legislative issues, you can call Alyce McEachern in the Office of Public and Legislative Affairs at 898-8585, or e-mail us at acm83@scdmh.org.

Budget Update

The health subcommittee of the House Ways & Means Committee heard from interim director John Connery on February 1 and 2, 2006. The subcommittee will be deliberating during the next two weeks in preparation for their recommendations to the full committee and debate of the FY07 Appropriations Bill during the week of February 20. For more information about the appropriations process or legislative schedule, please contact Sharon Mancuso by e-mail at spm12@scdmh.org or at (803) 898-8513.

S 15 Victim Notification to DMH and DDSN

A bill to require the victim to provide his name and other pertinent information to the Department of Mental Health and the Department of Disabilities and Special Needs for notification purposes. **Impact on DMH: DMH anticipates a cost to the General Fund of the state with the passage of the proposed legislation. It is expected that the extra duties involved in notifying victims would create a full workload for at least two administrative coordinators at a minimum salary of \$26,378 per coordinator. Fringe benefits for each coordinator are estimated at \$9,153. Total cost for two additional coordinators is estimated at \$71,062. It is unlikely that there would be any significant increase in other operating expenses based on the work generated.**
